Managing Yourself and Others

Influencing without Authority

Strategy and Implementation

Decision Making and Ethical Reasoning

Apr 19, 2026

**Ayoub MOSLIH**

has successfully completed the online Specialization

# Principles of Management

By completing this specialization, the learner has demonstrated foundational skills in managing themselves and others in organizational settings. They strengthened capabilities in team leadership, communication, conflict management, project execution, and structured decision-making. The learner applied frameworks to evaluate individual, team, and organizational capabilities, analyze competitive environments, and develop strategies that support competitive advantage. They can apply practical management techniques to improve team performance, align work with strategy, and navigate workplace challenges with confidence and professionalism.
